MONTE CARLO STAR. Real estate in Monaco is not imaginable without this SEAFRONT complex of apartments which was a new word of luxury in the second half of 20th century. Waterfront location in the very centre of Monte-Carlo in front of the best Monaco yachts was highly demanded thus imposing highest standards on internal amenities such as indoor swimming pool, outdoor pool, gym, green territory, solarium, etc.

In the close neighbourhood to Casino and YachtClub.

Monte Carlo Star is a postcard property for Monaco, more than simply a real estate in Monte-Carlo already for several decades.

Original sample of fusion ideas, it welcomes all the incoming yachts and cruisers and says "good buy" to them when they depart.

Key location in Monaco.
